

PayPal Donation Module – Frequently asked questions

FAQ · Donation button with amount selection that takes visitors straight to the PayPal payment (Joomla 5/6)

General

What does the module do?

It shows a **donation area** with an amount field and quick amounts and forwards the visitor to the **PayPal payment** (standard PayPal form, no API key required).

What do I need to set at minimum?

The **PayPal e-mail** (recipient account) and the **currency**.

Can I preset fixed amounts?

Yes, via the quick-select amounts as well as minimum/maximum amount.

Can I redirect after the payment?

Yes, via the return and cancel URL.

Licence, updates & donations

Do I need a licence or a licence key?

No. The extension is **free software (GPL v2+)** and free of charge – **no licence key** required. All features run permanently.

How do I get updates?

Normally through the **Joomla updater** (System → Update → Extensions) – without any licence check. **No update guarantee**.

Is there support?

No guaranteed support, use at your own risk. Support requests are welcome at info@joomion.de.

Can I support the project?

Yes – via a **voluntary donation** on joomion.de. Thank you!

Does the extension work in Joomla 5 and 6?

Yes, it is built for **Joomla 5 and 6** (namespaced, current Joomla API).

Security

Is the extension safe – is any code injected?

Yes. All output is `htmlspecialchars`-escaped, the PayPal e-mail is validated, the intro text is stripped of `<script>/on*` with `InputFilter`. No malicious code.
